

— La Taverne —
STOREHOUSE

Fortress of Louisbourg | Forteresse-de-Louisbourg

Located in the store house of François Bigot, who established his reputation by able and devoted service as Île-Royale's commissaire-ordonnateur from 1739 to 1745, while his sharp investments simultaneously laid the foundation of his wealth. Duly promoted, he went on to both fortune and disgrace as the last Intendant of New France.
